

**Holland Township Recreation Team Sponsorship Opportunity
Girls Middle School Softball Teams
Spring 2025**

The Holland Township Recreation Department is offering a Girls Middle School Softball program again for the 2025 softball season. Historically, we have had one team at this level of play and have participated in the West Michigan Middle School Softball League. For the second year in a row, we are hoping that this program has TWO teams of players for the upcoming season! Each team has 13-14 players on it. We continue to see growth at the middle school and little league softball levels of play for girls. The middle school program is for current 6th, 7th, and 8th graders. Team practices, games, and coaching instruction are all included for the season.

As we enter the 2025 season, it is our goal to further enhance the safety, competitiveness, and satisfaction of our middle school program. It is a big task to keep our girls in equipment and provide the funding to make this league a reality for players. We are currently in need of support for our teams with safety equipment, softball bats, catcher's equipment, catcher's gloves, batting helmets, practice softballs, game-play softballs, and more.

Sponsorship Package - \$300.00 (tax-deductible)

- *Business Logo printed on the team shirts.
- *Business Logo on team's game & practice schedules.
- *Team sponsorship plaque for business to display (if desired).
- *Business Logo on the home page of the Holland Township Recreation Website
www.hollandtwprec.com (high-traffic site)
